## Special Requirements:

### 16.10.070 Special requirements.

- (1) Escort. The housemover shall provide at least two escorts for the purpose of regulating traffic along the route such building is being moved; provided, that any such escorts shall be at the expense of the housemover. The building official shall approve the route selected.
- (2) Time. The City shall designate the time of the movement. Every such permit shall become and be void unless such removal shall be completed and the building removed from the public right-of-way within the time specified in the application for such permit; provided, however, that the City may extend such time when the moving of any building is rendered impractical by reason of inclemency of the weather or other causes not within the control of the housemover. If more than one day will be required to move the building, the building official shall designate where the building shall be located when not being moved.
- (3) Lights. No person moving any building over, upon, along, or across any public street shall fail, neglect, or refuse to keep a red light (or such other devices as the City may require) at all times at each corner of such building and at the end of any projection thereon while the same is located in or upon any public street.
- (4) Notice to Utilities. Before any building shall be moved the housemover shall give written notice to the public utilities or agencies designated in the application not less than three days in advance of the proposed move.
- (5) Condition of Lot. After the completion of any move the area or lot upon which the structure was formerly located shall be left in a safe and sanitary condition, including, but not limited to, the following: the sanitary sewer connection, if one exists, shall be plugged and marked; the water meter shall be removed and the line satisfactorily capped and marked; the electrical and telephone lines removed; all wells shall be capped or filled and all trash shall be removed there from to the satisfaction of the building official. (Ord. O99-41 § 7)

I acknowledge requirements as stated above:

**SIGNATURE** \_\_\_\_\_ **DATE:** \_\_\_\_\_

Description or Route.

- Map or description of requested route to be taken (Attach map if desired).
- Height, width and length of building to be moved
- Truck or equipment to be used for moving
